- Strengthening Family Resilience

Time & Place:

- 1st, 3rd & 5th Wednesday from 9-10 am
- NFRC Conference Room
  Semel Institute for Neuroscience & Human Behavior
  760 Westwood Plaza, B8-266, Los Angeles, CA 90024

**About the STAR Clinic:**

The STAR clinic provides children and their families with skills to manage the lingering stress and symptoms associated with a traumatic experience or significant life transition.

Using proven assessment and intervention techniques, clinicians promote recovery and overall resilience to stressful or traumatic situations by encouraging positive problem solving, effective communication skills, and emotional regulation.
